

'GOING-ON' @ GYVLON

OCTOBER 2010

Recent (and forthcoming) events

We recently exhibited at Interbuild 2010 (Birmingham NEC), which presented a great opportunity to discuss both current and future projects, and offer first hand advice on the benefits of Gyvlon. You may have seen us there!

We hope you enjoyed the exhibition as much as we did and that you had a chance to raise questions and receive answers about the service that we offer. If you require any further information please do not hesitate to contact us.

And don't worry if you missed us at Interbuild, we will be exhibiting again at:

The Northern Homebuilding & Renovating Show, Harrogate 5—7 November 2010.

Look for us on **Stand 101b**

We look forward to meeting you!
